Dear Mr. Landguth:

We have reviewed the Form B, Categorical Exclusion document submitted by your office for the proposed airfield improvements at Chattanooga Metropolitan Airport, Hamilton County, TN.

Per your submittal the project includes a 500 linear ft. expansion of the west airfield apron area. The project will provide additional tie-downs in the short term and new hangar access in the future.

Based on the information provided, we concur that the proposed project is categorically excluded from further environmental analysis.

We look forward to working with you on this project.

Sincerely,
